Easy, compact, versatile units, petrol engine driven, with compact dimensions and reduced operational costs. Ideal for operating a small jackhammer and air tools, or can be used in operations like piping.

- 76 CFM @ 87 PSI
- Honda GX690 Gasoline Engine
- Weighs 485 lbs
- 3/4" Hose Connection
- Skid Mount or Wheel Unit
- Key Start

625,000 Points

Pro900 Digital Underground Wire and Valve Locator

Invest in a locator now so you have it for spring service calls. Stop troubleshooting the old-fashioned way; get more done each day.

- Extended range for the largest irrigation systems.
- Power hum rejection for fast and accurate tracking.
- Three methods for applying tracking signals including two that are connectionless.

112,500 Points

Program Terms & Conditions

1. The Rewards Program is a loyalty rewards program, in which customers earn points as a reward for purchases made during January 1, 2019 – December 31, 2019. Customers earn a reward of 1 point for each \$1 purchased.
2. All customers are enrolled in the program and must purchase a minimum of \$10,000 each calendar year of the program term to redeem accrued points for that year. No “back-dating” of invoices.
3. In order to participate, customer must agree to “Program Terms & Conditions.” Central Turf & Irrigation Supply “CTIS” will have the final judgment when determining any member’s eligibility to participate in the program or to receive any rewards. Members may not transfer, combine or barter points.
4. The accrued points can only be redeemed once each calendar year of the program term, on the dates specified by CTIS. The Reward Claims will be fulfilled on four qualifying dates per year and will be as follows:

Redemptions received by March 31 will be fulfilled on or by April 15th.
Redemptions received by June 30 will be fulfilled on or by July 15th.
Redemptions received by September 30 will be fulfilled on or by October 15th.
Redemptions received by November 15 will be fulfilled on or by December 31st.
5. Any unclaimed reward points will be forfeited after 90 days of the program termination.
6. Base Reward Points: The Base Reward Points will be calculated at the end of every calendar month, based on payment of invoiced purchases, before sales tax, made during that month.
7. Double Points: Central Turf & Irrigation Supply reserves the right to disqualify double points on all invoices paid for by credit card.
8. On Time Payment: On time payment of your invoices will ensure that you receive maximum reward points. If only partial invoice is paid within invoice terms – the total invoice becomes ineligible for reward points. Any invoice not paid in full within invoice terms – will not qualify for any reward points.
9. Points Balance: Will appear on monthly statements “Available Points.” Balance is also accessible through our account management website, and will appear as “Rewards.” “Pending Rebate” is also available on statements generated from our account management website and represent points accrued that will become “Available” provided invoice is paid in full according to invoice terms. To access points balance 24/7, account must be setup on our account management website which can be accessed from our website www.centraltis.com. To be setup on our account management website, contact CTIS Corporate Office 914-347-5656 option 3.
10. Reward Points are nontransferable and may only be redeemed by the member.
11. In the event that additional points are required to reach a reward of choice, points can be purchased for \$0.03 / per point. Points must be purchased in 5,000 point increments.
12. Participation in the program is subject to the terms and conditions set forth by CTIS. Failure to abide by program terms and conditions, abuse of program privileges or any misrepresentation may result in the termination of program membership and the forfeit of any and all accrued rebate points.
13. Any invoices with special or negotiated pricing above normal customer discount structure will not be eligible to earn reward points.
14. Any member account not current as of December 31st of each program calendar year, have the possibility of forfeiting the accrued points at CTIS’s discretion. CTIS also reserves the right to redeem all available points at any time and apply towards account balance or service charges.
15. CTIS reserves the right to modify, revise or cancel this program, the Terms or any part of the program at any time for all participants or for any specific participant without prior notice.
16. By participating in this program, members agree to and are subject to the Terms of this program.
17. Customers are responsible for applicable sales tax and delivery charges on all equipment redemptions.

THE CENTRAL DIFFERENCE

Your success is always our success. We are continually exploring innovations in the industry from new product lines and equipment to labor-saving solutions and job-site efficiencies.

We continue to look for ways to help you **capture more dollars** from the jobs you're already doing by offering new options, upgrades, or additional services.
